Catalina: its ok

Catalina: doesnt matter

Catalina: for the best im sure

Catalina: was having a drama filled night anyway

Catalina: how was your weekend?

me: pretty wholesome

me: did honest work on Friday night

me: kind of enjoyed it

Catalina: make good moenys?

Catalina: moneys

me: like \$100

Catalina: not bad

me: mostly was doing it because Straub went awol and Miriam had given him the gig as a favor to me

me: also

me: there's this guy named Luke

me: who's kind of a pseudointellectual douchebag artist type, went to Pratt and whatnot

me: I don't know him well, but he's friends with a bunch of my friends

me: and he's apparently decided that we're enemies

me: it's a long, hilarious story, I'll tell you over the phone some time

me: what was your drama?

me: old man related?

Catalina: you make so many enemies

Catalina: sorta

Catalina: old woman related

Catalina: bitch called my parents

Catalina: basically told them i broke up her family

me: holy shit

me: you should retaliate with extreme prejudice

me: or not

Catalina: should i call her kids?

me: well

me: I don't know the woman

Catalina: im joking

me: that makes more sense

me: anything else interesting happen?

Catalina: she told them that shes trying to make things work with her husband and keep her family together because of the children!

Catalina: the children!

Catalina: wont anyone think of the children??

me: the husband who just moved out, eh?

Catalina: i hate kids

me: I thought of them, briefly

Catalina: i am actively not thinking about the,

me: why? kids are swell

Catalina: nothing else interesting

Catalina: i dont hate them

me: you can indoctrinate them

Catalina: these kids are just annoying

me: I can, rather

Catalina: this specific pair is annoying me

Catalina: well then you should

Catalina: ill give you these 2 kids for some bags of skag?

me: can I snort the kids?

Catalina: sure but you might get arrested for that

me: right, that's like two different crimes

Catalina: yeah

me: so, I've now learned of Ale\$ha

me: or something like that

Catalina: ive seen a name witn an A and a \$

Catalina: somewhere

Catalina: is she any good?

me: she's kind of like uffie

Catalina: no uffie im sure

me: raps about brunch and going out and drinking someone's liquor, etc

me: uffie's no uffie

Catalina: haha

Catalina: thats funny

Catalina: i should learn to rap

me: oh, yeah

Catalina: you can do the beats

me: that's a good idea

me: come up with some lyrics about how guys call you when they feel freaky hot

me: FREAKY HOT

me: also, your great wealth

Catalina: no we need something more original

2 of 5 **Catalina:** im much older than these girls im sure

me: your moderate wealth, then

me: we'll keep that a secret, you're 17

me: I had to go back to park street today to pick up the clothes I left with that Gracie woman who was over last time you came by

me: so I bought some crack for old time's sake

Catalina: no skag?

me: now I'm going to smoke the rest

me: I bought two bags and shot them up

me: first time since like Monday

me: I've got to keep off the stuff

me: couldn't work without it

Catalina: yeah

me: can't afford to be on it enough to work enough

Catalina: i guess i should too

Catalina: i need to get my benzo prescription

me: I'd feel pretty bad if you ended up having to go through what I did in terms of withdrawal

me: so, yeah, you should refrain while you're still ahead

me: it's difficult as hell to get off even a light to moderate habit

Catalina: i think i wouldnt miss it so much if my life werent so shitty

Catalina: also if i could drink

Catalina: but im pretty sure i have an ulcer

me: can't drink?

me: christ

Catalina: ive been trying to

Catalina: but it hurts so much

me: maybe you should get that checked out

Catalina: yeah maybe

Catalina: hows your health?

me: you're pretty stressed out a bunch, aren't you?

Catalina: mirna taking good care of you?

me: I'm perfectly healthy, actually

Catalina: really?

Catalina: you dont look it

Catalina: kidding

me: well, I didn't look i

me: it

Catalina: you look lovely

Catalina: always have

Catalina: picture of health

me: you can't see my lungs, though

me: seriously, you need to do something about your stress levels or something

3 of 5 **Catalina:** i just get easily stressed i guess

Catalina: i need benzos!

Catalina: or h

me: you probably do

me: so, did old man react to his wife's calling your parents?

Catalina: i dont know

Catalina: he was mad at me because i hit the side mirror of his bmw with my bag

Catalina: on purpose

Catalina: unfortunately i didnt break it

me: very well

Catalina: i tried

me: jesus christ

Catalina: i know

Catalina: its sad

me: you guys are nuts

Catalina: if only i had broken it

Catalina: id be satisfied

Catalina: he brings out my nutty side

me: I guess so, I've never seen it

Catalina: other than that im usually really laid back in my relationships with people

Catalina: yeah he just called and i guess hes coming over to "talk"

Catalina: ugh

Catalina: i should call his mother

Catalina: then he can call his wifes mother

Catalina: itll be a circlce of crazy

me: lol

me: we need more of those

Catalina: im writing this stupid essay thing

Catalina: im stuck

Catalina: on the first line

me: what about?

Catalina: some crap about biggest challenge i expect as a teacher

Catalina: the biggest challenge i expect is refraining from killing one of those little bastards

Catalina: i am much meaner and more bitter on gchat than i am in person i think

me: so, you're going to die of an ulcer, then

Catalina: mabe i need to stay away from gchat

me: yeah, gchat seems to infuriate you

Catalina: x-(

Catalina: aww. thats so cute!

me: kawaii desu! ^_____^

me: I've got to somehow break off from Miriam ASAP

me: I spent two nights in a row with her and now she wants me to come over tomorrow night

me: and I don't like her all that much

Catalina: oh no

me: oh, and here comes fucking Valentine's day

Catalina: oh god

Catalina: what are you getting her?

Catalina: you practically have a girlfriend!

me: I'm not getting her anything

me: you and the old man have any romantic domestic violence planned for the 14th?

Catalina: no

Catalina: hell be in SF with the 14 yr old kid

Catalina: i dont do valentines day anyway

Catalina: never have never will

Catalina: except for that one year when larry gave me a big bottle of grey goose

Catalina: it was great

Catalina: very romantic!

Catalina: and im not being sarcastic

me: yesterday I saw this t-shirt they're selling at a Mexican restaurant. Says Instructor de Sexo.

me: it's even funnier in Spanish than English

me: I didn't know the word "sexo" existed

Catalina: hah

Catalina: it does

Catalina: and it sounds dirtier in spanish than in english

Catalina: ok gotta go break a bmw somehow

me: have fun

Catalina: ill take a stapler with me and throw it at a window maybe

Catalina: i will

Catalina: bye

me: godspeed, noble warrior
